

SINAQUA®

System for preventing mycotic infections. Control, mechanical therapy and attenuation of fungal infections, ichthyosis, dermatitis.

The Sinaqua® body hygiene system is a “bacteria free”, Class I Medical Device and is widely used for the daily body care of bed ridden patients. The product is thermally disinfected in accordance with ISO 15883:2014. This process is well known in the hospital setting for effective removal of bacteria from surgical instruments.

Indications of use:

Sinaqua® is the device of choice whenever patients are at high risk of bacterial infection due to:

- Age (neonates or elderly)
- Prolonged antimicrobial therapy
- Renal disease
- Cystic fibrosis
- Diabetes
- Trauma

Features:

- The soft wipe or glove is impregnated with components of pharmaceutical grade for cleansing and hydration of fragile or irritated skin as well as sensitive areas such as eyes and mucosal membranes.
- The product is clinically proven to protect, treat and heal skin mycosis and inflammation regardless of the etiology.
- Reduction of pain and increased patient compliance.
- No allergic reactions in more than 17 year of sales.
- Does not require water, rinsing or drying.

Classification:

- Medical Device Class I, disinfected in accordance to ISO 15883:2014

Area of use:

Total body, including:

- Periocular area as well as mucosal membranes
- PEG or PEJ.
- Daily care of the peristomal area. The use of Sinaqua® does not reduce the adhesiveness of the wafer
- Interdigital area in patients affected by ictus or other pathology

Active ingredients:

- *Aloe barbadensis leaf extract*
- *Linoleamidopropyl pg-dimonium chloride phosphate (Phospholipid EFA)*
- *Allantoin*

Technical features:

- Wipe and glove in viscose to provide:
 - High absorbency of skin impurities.
 - High resistance to stretch and torsion to avoid tearing of the wipe/glove.
 - Maximum softness to avoid skin irritation.
- High solution content in each wipe/glove.
- The product does not contain latex, alcohol, parabens, urea, PEG, glycerin.
- Latex Free.
- Size of the wipe 20 cm x 21 cm
- Size of the glove 22 cm x 16 cm
